

EDUARDO SOLÍS GARCÍA

INDUSTRIAL DESIGNER | CREATIVE TECHNOLOGIST

27 Years | Estado de México, MX | +52 55 6499 1482 | frescofolio@gmail.com | LinkedIn

PROFESSIONAL SUMMARY

Multidisciplinary designer and creative technologist focused on storytelling through 3D visualization, visual systems, and technical tools. Experienced leading design and production teams across industrial design, branding, and audiovisual media. Strong understanding of 3D pipelines, asset production, and cross-functional coordination within creative and technical environments.

PROFESSIONAL EXPERIENCE

Project Manager & Design Lead | Tlamantli Design, Mexico City (Jan 2025 – Present)

- Lead and coordinate interdisciplinary design and visualization projects, translating conceptual narratives into technical and visual systems.
- Manage schedules, deliverables, and resources across multiple regions in Mexico.
- Ensure efficiency and quality through strategic project planning and documentation.

Product Designer (Kids) | Elephantir Kids, Mexico City (Sept 2024 – Dec 2024)

- Designed Montessori-inspired children's spaces, balancing functionality and aesthetics.
- Produced architectural visualizations and marketing materials for client presentations.
- Directed space planning, lighting, and 3D render production.

Producer | El Oriente, Mexico City (Jan 2024 – Aug 2024)

- Directed video and photo production projects from concept to delivery.
 - Coordinated teams and resources to meet creative and technical goals.
 - Managed project documentation, client relations, and on-time delivery.
-

EDUCATION

Bachelor's Degree in Industrial Design | UAM Xochimilco (2018–2022)

Project Thesis: Design of a Modular Temporary Shelter for Natural Disasters in Mexico.

Specialization in Project Management (in progress) | University of Leeds / Coursera (2025)

Completed course: Managing Major Engineering Projects.

UI/UX Design Courses | California Institute of the Arts (CalArts) / Coursera (2021–2023)

Completed courses: Visual Elements of User Interface Design, UX Design Fundamentals

Technician in Aeronautics (High School Program) | CECyT 7 Cuauhtémoc (2013–2016)

Developed a safety-oriented mindset and foundational understanding of transportation systems, technical documentation, manuals and standardized operational procedures.

CORE SKILLS

- 3D Visualization, Asset Production & Pipeline Coordination
 - Technical & Visual Storytelling through 3D Systems
 - Project Planning, Scheduling, Tracking & Delivery
 - Technical Documentation & Client / Stakeholder Communication
 - Problem Solving & Workflow Optimization in Creative Pipelines
 - Cross-Functional Team Leadership (Design, Production, Technical)
 - Fluent English & Bilingual Professional Communication
-

SOFTWARE PROFICIENCY

3D & CAD

Blender, Cinema 4D, KeyShot, AutoCAD, Fusion 360, Rhinoceros, SolidWorks

2D / Visual Design

Photoshop, Illustrator, InDesign

Motion & Video

After Effects, DaVinci Resolve, Premiere Pro

UI / UX & Prototyping

Figma, Adobe XD

Project & Workflow Management

Excel, Jira, Trello
